Nevada City Nugget

VOLUME IV, NUMBER 19 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA. THE COUNTY SEAT PAPER MARCH 24, 1930

16 TO 1 CUTS LEDGE ON 3000 LEVEL THE PAST WEEK

With various rumors percolating about town that the 16 to 1 at Alleghany had cut another rich bunch of ore the past week, The Nugget Saturday got in touch with President H. U. Maxfield in San Francisco and Superintendent Clayton Bennetts at Alleghany to ascertain the extent of the reported find.

The company authorized the statement that it has cut the ledge on a crosscut from th eshaft on the 3000 level and that the water has been coming in so fast that operations have been discontinued until the flow ceases to normal. No ore has been encountered at that point but indications are good for picking up some good values. It is estimated that three or four days will see the heavy flow of water diminished as it has practically ceased already on the 2400 level.

Mr. Maxfield has ben working on the idea that the values persist to depth in the 16 to1 and Tightner ground and the strikes made the past year down to the 2700 level have confirmed him in his belief.

JEFFORD ANNOUNCES HIS CORONER CANDIDACY

Announcement is made in this issue of The Nugget by L. R. "Bob" Jefford that his name will appear on the ballot at the primary election in August as a candidate for the office of coroner of Nevada county.

One of Nevada City's and Grass Valley's formeost young business men is presented politically thru this announcement and will be welcomed by his many friends thruout the county. His residence in this county extends over a period of nearly three years, during which time he has gained wide popularity both from his professional position as junior firm member in the W. R. Jefofrd & Son Funeral Home in Grass Valley and "The Little Church Funeral Home" in this city, and his civic activities.

Mr. Jefford states that he believes himself well fitted for the office, adn if elected, promises to give the exacting and undivided attention its responsibiiities demands.

The candidate is a native of Utah and received his education in that state after which he attended the State University at Columbus, Ohio. His education continued at the Training School for Embalmers in the Ohio city and he received one of the highest averages realized by any student when he made application for his embalmer's license.

He also received a thorough schooling in corner's duties and was awarded the diploma for efficiency. His actual experience commenced with service under his father as deputy coroner and for the past two years he has filled that office under Coroner T. M. Harris.

Coming to this city in 1927, with his father they purchased the W. D. Harris & Sons Funeral Home in Grass Valley, and in 1928 the firm branched their business activities to this city, purchasing the Congregational church on Main street and proceedoing to remodel it in every respect. "The Little Church Funeral Home" with W. C. Perry as local partner stands as testimony of their faith in Nevada City.

Mrs. Clara Jepson and mother, Mrs. J. R. Marshall, and sister, Mrs Will Sharpe, and Sherman Costello motored to Camino early in the week to visit relatives.

Mrs. K. Phelan of Tyler was called to Nevada City by the illness of her mother, Mrs. Mary Cox.

Walter and Thomas Bigelow of North Columbia were in Nevada City last week, the latter coming to receive traetment for an injured finger.

G. E. Poor of the Hunts Hill section is on a business trip to San Francisco and Los Angeles.

Mrs. Kate Sullivan of French Corral was visiting friends in this city.

Lee Day of Tyler was a recent Nevada City visitor.

Fred Devely of Alleghany was here on a short business trip.

KLINKER SELLS THE REDSTONE PAST WEEK

E. C. Klinker has disposed of the Redstone Quartz Mine to Texas people who will proceed with the opening of the property as soon as the snows disappear.

The Redstone is a zone of gold bearing quartz in the slate and sandstone area about three miles east of Blue Canyon on the west slope of the North Fork of the North Fork of the American River.

The mine was located first in the early sixties by Al Redstone and was last operated about 1890 by ex-governon Willey of Idaho who lived on the property until blindness and ill health overcame him at the age of 84.

STATE ENGINEERS VISIT DAM SITES THIS VICINITY

With the visit of State Engineer Edward Hyatt and a large company of engineering experts on the lower Yuba Friday interest again attaches to the possibilities of the construction of a large dam at the Narrows below Smartville which would be a part of the state water conservation scheme as well as for the impounding of debris from the mines. Mr. Hyatt stated that in his opinion the Narrows damsite did not offer enough storage capacity to handle satisfactorily the flood waters of the Yuba watershed and that another site should be sought.

The party made a careful inspection of the lower Yuba country in the neighborhood of Parks Bar and Daguerre Point where the Debris Commission at one time attempted to construct a low dam, but which proved unsatisfactory. The Narrows damsite has always been favored by the mining interests as it was far enough down the river to impound the waters of Deer creek and make possible placer mining along Nevada City's water course

Saturday the engineering party inspected sites on the Bear river and went over the Parker damsite where the irrigation district has a large sum of money tied up in the site and no immediate prospect of realizing on its investment.

DEPOT HILL MINE HAS BEEN WORKING NICELY

The Depot Hill hydraulic mine above Camptonville has been having a nice run this season so far but with the water beginning to shorten it is expected that the coming month will see cessation of operations for the present year.

F. J Joubert reports that he has worked the mine nearly 1000 hours running as much as 24 hours a day to get the benefit of the water.

RICHENBACH PASSES

John W. Richenbach who is related to the Arbogast family, passed away at Seattle the past week, funeral services being held Thursday. He formerly held a responsible position with the Towle Bros. Co. for many years.

BIGELOW WAS HURT

While handling a pump at his mining property last week, Thomas C. Bigelow of Badger Hill caught his little finger in the gears with the result that the member was amputated. He came to the Nevada City Sanitarium where Dr. A. H. Tickell gave attention.

Mrs. F. J. Brophy of Berkeley has returned home after a visit with her mother, Mrs. C. J. English at North Columbia.

Mr. and Mrs. Earl Beatty of Fresno are visiting her mother, Mrs. G. Downey, and family.

Peter tum Suden, San Francisco attorney, was a recent Nevada City visitor.

Tony Piannezzi was down from Alleghany on a visit with his family.

Joe Lavezzola and Evan Thomas of Downieville visited Nevada City.

G. A. Bowen, traveling auditor of the J. C. Penney store, was a recent visitor at the local store.

HANLEY STATES COMPANY READY TO BBGIN WORK

Robert L. Hanley, vice president of the Mines Operating Corporation, Ltd. which has 1200 acres of hydraulic ground on Howard Flat, was in Nevada City Friday on his way to the property in company with Ross F. Taylor, engineer for the corporation. The company is making plans to operate on a large scale this spring as soon as the weather moderates and some of the nine feet of snow gets off the ground.

The company has already expended in the neighborhood of a half million dollars in water and property rights and has enough gravel blocked out to last for 20 years with normal operating conditions. A long time contract for storage of debris behind the Bullards Bar dam is also in effect.

Hanley stated to a Nugget representative that his company will have continuous operations during the water season each year and employ a large crew. The corporation has valuable water rights on the North Fork of the North Yuba and an elaborate ditch system with plenty of water for large operations. The gravel channels have been thoroughly prospected for their values. On a great deal of the property there is but little overburden to handle and none of the banks will go to great height as was the case in the Malakoff workings at North Bloomfield.

Mr. and Mrs. George Miller have moved to Sacramento to make their home.

PIERRE BOUERY NOTED VISITOR LAST SATURDAY

Pierre Bouery, one of California's most noted hydraulic mine operators and for 15 years general manager of the famous LaGrange mine in Trinity county was a Nevada City visitor Saturday in company with James D. Stewart of Auburn. Bouery is looking over several promising gravel properties in this county with the idea of taking one over for large operations.

The LaGrange was probably the world's largest hydraulic property not excepting our own Malakoff mine at North Bloomfield. There were banks there as high as 800 feet on which it was necessary to use remote electrical control for the monitors on account of the great height. The production would run as high as $200,000 per season. The gravel averaged but 5c per yard and yet an average profit of 2c per yard was shown on a daily washing of 45,000 yards.

The story is told of how one cleanup of $8,000 melted up into one 200 pound brick was tied up in a gunny sack, dumped into the back end of a buckboard and driven 56 miles to Redding through the mountains.

Bouery resigned in 1916 from the LaGrange operations and since 1918 has been taking life easy but he says he is feeling the old urge to hear the roaring monitor again. He is very enthusiastic over the possibilities of this country from a placer standpoint but states that it is unfortunate that it isn't up in the Trinity and Klamath country where the farmers are not so pestiferous with their anti debris views.

N. C. GOODWIN DEAD

Nahum C. Goodwin, a resident of this section for more than a half century, was found dead in his home in the east part of town early last week by George Coughlan, who had been summoned by Mrs. Sam Castelones, a neighbor. Dr. Tickell had been summoned earlier in the day by Mr. Goodwin who complained of illness following the eating of some pork and beans the day previous. Deceased was born in Maine in the '40ties, coming to California when a young man and following mining in the Red Dog, Blue Tent and You Bet districts. The remains were taken in charge by A. M. Holmes.

WONDER MINE IS TO START WORK EARLY SUMMER

Prospects are bright for the commencement of operations again at the Wonder group of mines at Alleghany, according to President Harry G. Mack of the Sierra Cons. Mining Company, owners of the property, who was a caller at The Nugget office Saturday. The property has been idle for practically a year now due to internal troubles which are being cleared up.

A new set of officers and directors has been chosen by the stockholders as follows: Harry G. Mack of Berkeley president, Robert W. Bachelor of Berkeley vice president Victor J. Barnett of Oakland secretary-treasurer. The other directors are H. O. Ballard of Berkeley, H. J. Lee of Berkeley, James Havercraft of Oakland and Henry B. Neville of Downieville.

The Wonder is one of the promising properties of the Alleghany district, being west of and adjoining the famous 16 to 1. There are eight claims in the group, Wonder Nos. 1 and 2, Right Place, No Better, Alice, Hidden Treasure, Heckley and Jumbo. Over 900 feet of tunnel work has been done and the face of the drift is thought to be near the main ledge. The company has three quarters of a mile of the mais ledge on its property and it looks to be a real producer when once under way.

Mr. Mack was accompanied by Mrs. Mack, a charming woman who is enthusiastic for the possibilities of the Wonder as a producer.
crosscut from the shaft on the 3000 depth in the 16 to 1 and Tightner

TWIN SISTER HAS PROMISING ORE UP TO $520 A TON

Things are looking bright at the Twin Sister mine for striking pay values in the face of the tunnel which is now in favorable formation for striking a new ledge. Friday a large flow of water was struck which indicates the presence of ledge matter.

In the first ledge struck which some have figured is the Twin Sister ledge, the drift has advanced 100 feet and the width between walls is five feet with the quartz averaging three feet in width. The values are running from $9 to $520 in the face of the drift. The tunnel is now in 1190 feet from the adit.

The company is now negotiating for the purchase of a stamp mill which will be moved in to the property as soon as the roads permit hauling to the mine. A site has been prepared at the tunnel adit. With electricity for power and large ore reserves already opened up the company looks to be in for profitable operations.

President Ray O. Foster of Ukiah Director Joseph Rosasco of Healdsburg and Louis Baccaglio of Ukiah were in town Saturday on their way home from an inspection trip to the property and pronounced themselves as highly pleased with the showing made.

ALLEGHANY BALL TEAM WANTS LEAGUE GOING

W. C. Ennis, manager of the Alleghany Gold Diggers base ball team was in town Saturday and announced that a benefit dance to provide funds for the teams will be given at Alleghany next week Saturday night, April 5th. Ennis is boosting for a league of the nearby mountain towns which his team would be willing to join.

The Nevada City Kids will cross bats with the Gold Diggers on the Alleghany field on April 5th.

Miss Mary Joan Campbell came down from North Columbia to visit a few days with relatives.

A. T.Thore of Tyler was in Nevada City during the week.

Ralph Russell of Sacramento was a visitors in this city last week.

MAYFLOWER MINE IS WORKING BALTIMORE

George L. Duffey, superintendent of the Mayflower mine at Forest Hill was in town Wednesday, returning the same day. The Mayflower is now concentrating its work entirely on the Baltimore tunnel through which the extension of the old Paragon channel, which was worked for three miles through the Mayflower tunnel, is being drifted.

NEW HOIST FOR BOREHAM MINE RECEIVED HERE

With the arrival of a large amount of equipment the past few days and unloaded at the Town Talk siding of the Nevada County Railroad, work will soon be ready to proceed on the new standard shaft for the Boreham property which has made a fine showing in the preliminary development work.

The equipment consisted of a new hoist and motors. A standard headframe and bins are to be built at once. It is the expectation of the company to use the present prospect shaft as the basis of the new shaft thus eliminating much expense in its construction. The prospect shaft runs at a good even pitch for its depth and will make an acceptable shaft. The work will be pushed to early completion.

FOREST HAS COMMUNITY SERVICE CLUB STARTED

The little town of Forest has embarked on an ambitious program of community betterment with the formation of a Sierra Community Service club with C. P. Klinkner as chairman, Mrs. Vera Ttrehl as 1st vice chairman, Wm. Blackmore 2d vice chairman, Mrs. Mabel Davies secretary and Will Blackmore treasurer.

A home coming and picnic is proposed for the coming summer.

NEVILLE IS APPOINTED SIERRA COUNTY JUDGE

Governor C. C. Young on Thursday appointed Henry B. Neville, for many years district attorney of Sierra county, to be Superior Judge of that county. The appointment comes as a distinct and merited honor to Mr. Neville and the Governor has shown a kindly spirit to the isolated mountain country in appointing one of its citizens to the vacancy caused by the transfer of Judge Engs to Alameda county bench. The local bar association sponsored Mr. Neville's candidacy as well as many citizens of both counties.

HORSESHOE FLINGERS AFTER TURKEY RINGERS

The barnyard golfers got in their licks at making ringers on heaping platters of tempting roast turkey at th eannual dinner staged at the Elks hall Saturday night, the losers providing the feast for the winners. A number of invited guests were also present for the occasion which was a most pleasurable one withal. Court Garfield of the Foresters was by reason of finishing on the short end of the scoring machine relegated to the position of kitchen mechanics for the occasion but they showed they could throw double ringers when it came to providing an epicurean feast.

ANOTHER LADY PASSES

DOWNIEVILLE, March 22, (Special to The Nugget)—The local chapter of the Mining Association of California seems to be quite popular with the ladies. Another one, Mrs. Marie E. Phelan of Sierra City is the latest one. She is the owner of extensive gravel and quartz holdings in this county.

Ignition Parts and Accesories at Miner's Foundry. 24tf

PLACER GOLD IS PRODUCED GOOD QUANTITY HERE

The thought doubtless persists in many people's minds, even among our own citizens, that gold placer mining is largely a thing of the past. If The Nugget publisher had any such idea it was thoroughly dispelled when William A. Sharp, local mining man and licensed ore buyer, brought in a handkerchief full of nuggets and buttons Friday that he had purchased from various sections, the whole amounting to around $370 and representing but three day's purchases.

It was all placer gold and came from Deer creek, lower Deer creek, Indian creek, O'Hearn property on Banner Mountain, Yankee Jims in Placer county and from the American river near Colfax. It was mostly in the form of buttons as melted by the miners but there was a large amount of native gold in the display. One of the large nuggets now rests in The Nugget display window just to show that we weren't having a pipe dream of some sort.

Sharp, who has his office and home at 302 Spring street in the rear of the National Hotel, is one of our most assiduous mining men and has been the means of interesting considerable outside capital in our local mining district. He was given an ore buyer's license recently by the state mining bureau and is prepared to pay cash for all purchases.

Bill has one particular quality which should commend him greatly, he never has an unkind word to say for the other fellow's property. They all have merit in his estimation. He is always on the go and has some deal on to interest outsiders all the time and has been the means of starting up of some of our local properties. More of his sort are needed.

With a number of our local placer properties being taken under option at the present time, we may look confidently for a revival of that form of mining in the next few years.

DEVELOPMENT WORK IS STARTED YOUNG AMERICA

Work is progressing in driving the No. 4 tunnel at the Young America property at Sierra City to cut the rich shoot that produced many millions in the upper levels in past days. It is estimated that the vein which split just below the No. 3 level should be picked up within 200 feet. Compressors and air drills have been installed to expedite the work.

The work is being prosecuted by the Divide Extension Mining Company.

LIONS CONVENTION TO BE HELD APRIL 25TH

The date for the holding of the Lions Club Officers' convention in Grass Valley and Nevada City has been set for April 25th to 27th and committees to handle the event have been named by presidents George R. Carter and Eben K. Smart of the two clubs. It is possible that a golf tournament will be staged during the event. The recent amateur production netted the clubs nearly $200 which will practically finance the holding of the convention activities.

MRS. WISEMAN PASSES

DOWNIEVILLE, Mar. 22 —Mrs. Alice Wireman, whose husband was formerly interested in the Big Boulder mine in this county, passed away this week at the family home in Roseville. Funeral services were held yesterday and the remains taken to Napa for interment. Deceased was a member of Naomi Parlor of the Native Daughters and was well known here.

Miss Claire Bigelow of Oakland is visiting her father, Frank Bigelow at North Columbia. She visited a few days with friends inNevada City

Mrs. W. J. Robinson who has been visiting in San Francisco has returned home.

COZY CORNER CHAT

THE APPOINTMENT by Governor C. C. Young of Henry B. Neville to the post of Superior Judge of Sierra county comes as a highly merited honor to the barrister who has served his county for so many years in the capacity of district attorney and his many friends throughout his home county as well as Nevada county where he is widely known will become the opportunity to extend congratulations. The Governor on his choice has shown excellent decision in our favor as he could easily have appointed someone on the outside from some point where votes might be needed in the coming campaign but he brushed aside mere politics to honor a man who stands high in his home community, both as a lawyer and a citizen, and Governor Young should be given unstinted praise for his selection. There are not many votes in these two counties as in the more populous centers and this year votes count. In his selection of A. J. Modglin as supervisor of Sierra county some time since, the Governor also made an excellent choice and one which sets well with the mountain people. AAW

GRASS VALLE YPERSONALS

A. A. Codd, president of the Western Merger Mines and isterested in new developments at the Randolph property in the Nevada basin, spent several days in this section.

Mr. and Mrs. O. Eldredge are home from a visit in San Francisco, Los Angeles, San Diego, and Mexico.

Thomas R. Owens has returned from an 8 months stay in Chicago and will reside in Grass Valley.

Mr. and Mrs. R. Harris and daughter of Santa Cruz spent ten days at the home of Mr. and Mrs. Alfred Willoughby, visiitng.

Neil Blair, member of the staff of the San Francisco postoffice, was called to Grass Valley by the serious illness of his mother, Mrs. Wm. Blair.

Misses Florence Bennallack, Helen Seiver and Gladys Kelleher of Sacramento came up to attend St. Patrick's ball.

A. L. Gill and Stuart Hosking attended the South-of-Market dinner and anniversary in San Francisco last week.

Mr. and Mrs. Wm. Thomas have had as visitors, Mr. and Mrs. Wm. Jewell of Sacramento.

Mr. and Mrs. J. C. Tyrrell have returned from San Francisco where they visited.

Mr. and Mrs. Francis Bell, of Roseville spent a few days visiting her parents, Mr. and Mrs. M. H. Argall.

Mr. and Mrs. H. Lloyd of Tracy visited over the week end ni Grass Valley. Miss Mary Johnson accomanied them as far as Courtland, where she teaches.

Mr. and Mrs. F. Lathrop, Mrs. F. Nettle and son, Gale, were called to Reno by the sudden death of Mrs. Lothrop's sister, Mrs. Mamie Tailleur

FRENCH CORRAL ITEMS

FRENCH CORRAL, March 21, (Special to The Nugget)— Well, after the rainy Friday of March 14 we have been given a week of delightful weather. We cannot help boasting our wonderful climate, as there has been so little of sickness for the past months. As "Items" did not reach The Nugget office in time for publication, we will make our column brief.

Miss Louise Moulton spent the week's end, as usual, at her home in French Corral.

We are glad to have little Willie Browning home with us again. With his mother he returned from Nevada City Saturday where she has been caring for him since he left the hospital.

Harry and Clyde Browning, who came up from Browns Valley Friday ,returned to their work at that place Saturday.

Miss Barbara McMinn visited her friend, Mrs. Schwartz, Saturday and Sunday.

W. E. Moulton made his usual business trip to Marysville Saturday.

W. P. Clerkin returned to his home near French Corral Sunday for a short visit. Mr. Clerkin has cattle on the lower ranges.

Our community was shocked by the news of the sudden death of Mrs. Victoria Kneebone, who passed away at her home in Spenceville Saturday. She was born at Bridgeport where her parents resided from the "early days", and was well known and beloved by all. Our deepest sympathy goes to the members of her family who will never cease to miss this loving mother, and her aged husband who feels his bereavement most keenly. She was laid to rest in the family plot at Bridgeport Monday afternoon, beside the grave of her dear World's War boy, William. The funeral was largely attended by her many friends and the many beautiful floral pieces mutely attested the love in which she was held.

J B. Gavlin a representative of the Catholic Extension Society paid a visit to French Corral Monday. He was accompanied by P. Leonard of Nevada City. We claim Mr. Leonard as one of our own "boys" as he was born and raised in this section, his parents being pioneers, who lived for many years in Sweetland, and also at "Jones' Bar", which in the "early days" was quite a little town itself.

Mrs. T. Schwartz of Pleasant Valley entertained at whist Monday night. She with several other members of the O. E. S. at Smartsville are giving whist parties for the benefit of the Chapter. Several of the residents of French Corral attended the party. Needless to say they had a delightful time.

Joe Swazey of Siberia mine was a visitor Monday evening.

Miss Millie Clerkin, Mrs. K. Sullivan and Miss Nelly Sullivan were visitors in Nevada City and Grass Valley Tuesday and Wednesday.

Mr. Carlson of Garden Valley was a Wednesday visitor.

Mr. and Mrs. R. McNamara of Tyler are viting the family of J. W. Culver.

Rev. Fr. Scott, who is visiting the Coughlin family at North Columbia, visited in this city last week

JUNIOR PROM

The following committee was appointed for the Junior Prom which is to be held May 9.

Decoration Committee:—Cecelia Genasci, chairman; Deynes Foley, Tom Hogan, Calvin Fisher, Vernon Sandow, Ruth Smith and Ruth Mezgar.

Punch Committee: — Gertrude Marriott, chairman; Lois Eden.

Music Committee:—Margaret Rector, chairman; Joe Sbaffi.

Finance Committee:—Bill Jeffrey, chairman; Bernice Coughlan.

HI Y CONVENTION

On Saturday, March 15, four delegates from the Nevada City High School left Nevada City with Miss O'Neil, their chaperone, for the "Hi-Y" convention at Richardson Springs.

The Hi-Y was formerly for boys only but a club has lately been organized for girls. It is sponsored by the Young Men's Christian Association.

The subject at this convention was "Windows". Many interesting talks were given by girls from various schools. A very entertaining speech was given also, by Dr. Tully Knoles, the president of the College of the Pacific.

A number of high schools were represented, making altogether, a total of about three hundred and fifty girls.

The Nevada City delegation were:—

Ruth Rector —Freshman.
Betty Bettles—Sophomore.
Margaret Rector—Junior.
Dorothy Tamblyn—Senior.

Tuesday the girls gave a report of their trip to the Girls' Association, urging as many girls as possible to represent Nevada City next year, and expressing their hopes to return.

REPORTS ON TRIP

Tuesday afternoon at a meeting of Girls' Association Margaret Rector, Ruth Rector, Dorothy Tamblyn and Betty Bettles gave reports on their trip to the convention at Richardson Springs. The topic of the convention was, "Windows in Relation to Life". They discussed all kinds of windows: broken windows, cathedral windows, stained glass windows, with their relation to life. The girls also brought back some songs which the students sang at the meeting. The girls had a very enjoyable time and they succeeded in bringing back some of it to the rest of the girls who had to stay at home.

FOOD SALE COMMITTEE

The Junior Class are to have a food sale May 24 for the purpose of securing money for the Junior-Senior banquet. The following committee was appointed :— Ruth Smith, chairman; Ruth Mezgar, Gertrude Marriott, Bernice Coughlan, Adelaide Veale, and Laurel Phillips.

JUNIOR—SENIOR BANQUET

The following committee was appointed to arrange for the Junior-Senior banquet which is to be held May 28:—Lois Eden, chairman Cecelia Genasci, Deynes Foley, Gertrude Marriott, Ruth Smith, Joe Sbaffi and Vernon Sandow.

MAGICIAN ENTERTAINS

The Student Body was entertained Wednesday afternoon by Edwin Brush, the magician. His stunts were very clever and delighted his audience. The entertainment gave the students something of moral value.

A number of visitors also enjoyed the stunts.

PICTURES RECEIVED

Seventy-five pictures of Yellow Stone National Park were received by the Civics Class, These pictures were run through the moving picture machine Tuesday.

TEACHER ENTERTAINS

Mr. C. E. Pedersen entertained a number of friends at the home of Mr. and Mrs. Treglown Saturday evening.

Dutch Whist and several other games were played.

Later in the evening refreshments were served.

Those present were as follows: Mr. and Mrs. Wilson, Mr. and Mrs. Kjorlie, Miss Emily Davis, Miss Anne Whelan, Mrs. Austin, Mrs. Anne Buckner, Miss Elizabeth Janes, Miss Mabel F. Main, Mr. Walter Carlson, and Mr. Calhoun, Miss McGuire and Miss Dyke from Grass Valley.

GRASS VALLEY VISITORS

Bob Hocking and Fred Conway represented the Senior Class of the Grass Valley High School at an assembly held Tuesday. The purpose of this meeting was to advertise their Senior Farce, "Nothing But the Truth". The Grass Valley Senior Class invited all Nevada City students to attend this farce March 27 and promised to return the favor by attending our Senior Farce "Peekaboo Lady" which is to be given April 3.

SOPHOMORE PARTY

The Sophomore party which was held Friday evening, March 14, proved to be a great success. Old fashioned dances were danced by the students and parents. At 9:30 a grand march was held and everyone in costume participated. Laurel Phillips and Milton Masters were awarded the prize, two Senior Farce tickets. After the grand march, students in costume had flash-light pictures taken. Upstairs, the boys played horse-shoes and other games. At a late hour refreshments were served and enjoyed by all .The party closed at 12:30 and everyone went home well satisfied.

JUNIOR PICNIC

The Junior Class are to hold their annual Junior picnic May 1. The following committee was appointed:—Ruth Noyes, chairman; Evelyn Granholm, Laurel Phillips, Ruth Gleason, Joe Sbaffi, and Tom Hogan.

HONOR SOCIETY PARTY

The Honor Society party which took place at the High School Wednesday evening, proved a great success. The guests were the faculty, Honor Society, and a few members of the student body. The room was decorated in green, in honor of St. Patrick's Day.

Whist and other games provided the entertainment. Prizes were awarded to Miss Main, Warren Chapman, Kathlyn Greenaway, and Alberta Robinson. After the games efreshments were served.

All expressed their appreciation to Mrs. Hulen and the members of the Society.

AWARDS GIVEN

An assembly was called Friday afternoon for the purpose of awarding to Gladys Clark, Dorothy Tamblyn, Cecelia Genasci, and Madeline Himes certificates of proficiency in Typing I for typing 30 or more words a minute. A bronze pin was awarded to May Netz in Typing II for typing 44 words a minute. Kathlyn Greenaway, a post graduate received a gold pin, although this is only her second year of typing, for typing 64 words a minute. This is the third gold pin received in this school. The first was received by Vera Toccalini, and the second, by Vivian Cerro.

BOARD OF EDUCATION GIFT

The Board of Education has given a magazine rack to the school. Bill Rector was appointed to stain it with varnish. This rack makes a useful and decorative addition to our Assembly Room. We appreciate it very much.

Ivan Brown was up from Sacramento visiting in this city.

J. F. O'CONNOR
Civil and Mining Engineer
United States Mineral Surveyor
Licensed Land Surveyor. Upstairs over City Hall. Main Street, Grass Valley.

RADIO PROGRAM

A radio talk was heard Tuesday afternoon on the subject, "Earning Money by Saving Time". The speech was given by Mr. Kersey, the state superintendent of schools. He brought out the point that one should choose his friends, not for what they have but for what they are. The speech was beneficial to the students as he brought out the advantages gained by anyone who makes profitable use of leisure time. The radio was procured through the kindness of Mr. Kilroy.

F. J. Henderson, Berkeley building inspector, owner fo the Henderson ranch of "spouting tree" fame and a recent purchaser of fruit land west of town, is visiting here.

POSTER CONTEST

In the poster contest for the Senior farce, sponsored by the Senior Class, the first prize was given to Ruth Noyes who received two tickets to the play. Second prize, one ticket to farce, was given to Laurel Phillips and an Honorable Mention, also one ticket, to May Netz.

FRENCH CORRAL ITEMS

FRENCH CORRAL, Mar. 17, (Special to The Nugget)— After a week of delightful weather, Thursday dawns gray and cloudy with a cold south wind blowing all day. After dark a gentle rain began to fall, and continued in showers during the night. The prospect this a. m., is for more rain. We can stand it, for we feel that the winter is over and there are many bright days ahead. The fragrance of manzanita, chaparral and fruit blossoms, and the joy of living is upon us. Let's see how our people have been moving about for the past week.

J. W. Culver had business in Nevada City Friday.

Miss Louise Moulton who came from North Bloomfield Friday, made a trip to Grass Valley Saturday to meet her sister, Frances, who came up from Sacramento to join her family at a birthday dinner given for Miss Louise.

A. Browning had business in Nevada City Saturday.

J. W. Culver went to Tyler Saturday to visit his sister, Mrs. R. McNamara, who has been ill.

Sunday visitors from Hammonton were Mr. and Mrs. G. Waldon and son, and Mrs. Waldon's aunt, Miss Mollie Brown. Miss Brown who came near losing her life in one fire at the Church ranch, was happy to visit the old Ridge again and her many friends were happy to see her. Her family were early time residents of Sweetland and brothers and sisters were born at that place. Her nephew, Levin Brown, still lives at the old home place.

Mr. and Mrs. Harold Osgood of Bangor were the guests of Mrs. Osgood's aunt, Mrs. W. E. Moulton, Sunday.

Mr. and Mrs. E. Clark and children of French Corral, visited Mrs Clark's sister, Mrs. Bobbs of Shady Creek ,Sunday.

Mr. L. Dudley of Nevada City was a Sunday visitor in French Corral.

Miss Millie Clerkin and Bessie McCullough made a trip to Brown's Valley Monday and returned to French Corral Tuesday.

R. Rhodes and C. Carlson of Sweetland had business here Tuesday

Mr. and Mrs. P. H. Flynn of Nevada City gave their friends in this place, a happy surprise, by paying them a visit Tuesday. Mrs. Flynn is a native of the one time town of Birchville, and in that place she spent the greater part of her life.

Chas. Buhl of Browns Valley was a business visitor here Tuesday.

Mrs. J. W. Culver accompanied Mrs. Elsie Schwartz to Pleasant Valley Wednesday evening with the intention of attending the O. E. S. chapter at Smartville that night.

There was no school here Thurs (yesterday) as our teacher's son, Teddy, was taken quite and she could not leave him.

Mrs. E. B. Frost and little granddaughter of the Siberia mine accompanied by F. Wood and son, Carl, were Thursday visitors.

Geo. Pantages of the Roseville Meat Market had business in this section Thursday.

Still it rains. Think we are in for another storm.

Dr. W. B. Hardie of Alleghany spent several days visiting Vernon Rood of Grass Valley.

GOOD REPRESENTATION

The Mother Lode Counties have good representation at Washington in the person of Harry L. Englebright, who is always on the job and is ready to undertake any task, large or small, which he thinks is of importane to his people out in California. No item is too small for him t recognize and give his personal attenton. No undertaking is too large and he is right on the job with hammer and tongs, working and fighting for the interests of California and especially for the district he represents.

His action in the recent attempt to discontinue the appropriations for government road building in the West is to be applauded and we should give him all the encouragement and help at our command.

It would be a great calamity to the West to lose these annual government allotments for road building in the Parks and Forest Reserves; especially so at this time when so much effort is being put forth by the counties and state to perfect a network of highways throughout the State for the benefit of motrists from all over the world.—Karkes Gazette.

Miss Bernice Eden, daughter of Mr. and Mrs. Charles Eden of Indian Flat, graduated from the Southern University, and is enjoying a visit at home.

Mr. and Mrs. Ray Pengelly have had as a visitor, Mrs. H .Pengelly of San Francisco.

Mr. and Mrs. C. H. Barker have had as recent visitors, Mr. and Mrs. Mr. and Mrs. Ralph Moss of Austin, Nevada.

Mrs. E. Hocking has fully recovered from a fall from an automobile

CARTER TO ANNAPOLIS

Having passed the mental tests satisfactorily, Clark Carter of Downieville ,who was recommended to Annapolis Naval Academy by Congressman Harry L. Englebright, will leave for the east in June to take his physical examinations, which if successful, will admit him to the Academy for training. He is the son of Mr. and Mrs. W. L. Carter and grandson of Mrs. Emma Carter o this city. He was brought up in Nevada City, later moving to Downieville.

RUPTURE SHIELD EXPERT COMING TO

MARYSVILLE
On
SATURDAY ,APRIL 5.
at the MARYSVILLE HOTEL
from 10 a. m. to 4 p. m.
Evenings by telephone appointment only
ONE DAY ONLY
No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert. Home office. 535 Boston Block, Minneapolis, Minnesota

CHEROKEE PROSPERS

CHEROKEE, March 17, (Special to The Nugget)— Mr. and Mrs. E. Frost of the Siberia mine were business visitors in Nevada City Tuesday.

Mrs. R. Maitland, Thomas Phelan, Mr. and Mrs. H. Costa and Mrs. T. Costa of Nevada City were visitors here Tuesday.

John Culver of French Corral was visiting his sister, Mrs. R. McNamara of Cherokee Sunday.

Mrs. H. Meyer of Cherokee has moved to her home in Nevada City.

James Coughlin of Columbia Hill took a large truck load of wood to Nevada City Monday.

Rev. Father O'Reilly and D. Coughlin were visitors at Columbia Hill Monday.

Supervisor Frank is having some work done on the road blasting out some rock and making the road much wider.

Frank Murphy of Montezuma Hill is in a San Francisco hospital suffering from eye trouble. His eyes are in a serious condition. The doctors as yet, cannot tell whether they can save them or not. His many friends hope he will regain his eyesight.

G. Erway of Tip Top was a visitor in Nevada City Wednesday.

LEGAL NOTICE

NOTICE OF ELECTION

Notice is hereby given that a General Municipal Election will be held in the City of Nevada, on Monday, the 14th day of April, A. D. 1930, for the election of the following officers:

Two (2) members of City Council for the full term of four years.

One City Clerk for the full term of four years.

One City Treasurer for the full term of four years.

There will be one voting precinct for the purpose of holding said election, consisting of a consolidation of the four regular election precincts established for holding state and county elections, as follows: Consolidated voting precinct "A", comprising state and county precincts numbers 1, 2, 3 and 4, and the polling place thereof shall be at the City Hall, on Broad Street. The polls shall be open between the hours of 8 A. M. and 6 P. M.

GEORGE H. CALANAN,
City Clerk.

Dated: March 8, 1930.
First Publication March 10, 1930.

SPORT NOTES

BOWLING GETS UNDER WAY AGAIN LOCALLY

After several months of quiescence, the bowling fever has again hit Nevada City with a dull thud and two contests were staged on the local alleys the past week. Two Nevada City teams have been entered in the ten team league which is sponsored by Nevada City, Grass Valley and New Castle.

Owing to the fact that the Grass Valley statisticians keep no records of the strikes ,spares, doubles and triples made during the tournament, The Nugget sport page will only be able to give the totals on the two local teams.

There has been so much interest aroused by the tournament that a four team league will also be formed for the local Elks alleys, rolling two nights a week for five weeks. So that it looks as if there will be a little athletic excitement following the close of the rubber spheroid tournament which created a great deal of interest.

The scores for the last week were as follows:

Irenwood	162	179	140—481
Westbrook	165	148	161—474
Snyder	150	150	150—450

Announcing Another P·G·and E· Electric Rate Reduction

$2,400,000.00 Saving to Consumers

Now, electric rates for consumers of the Pacific Gas and Electric Company are reduced over Two Million, Four Hundred Thousand Dollars a year.

Lighting rates are cut to a maximum rate of 4½ cents per kilowatt hour for incorporated areas, with a similar reduction in all areas.

The new rates are of greatest benefit to the small consumer—the residence user, stores and offices. Substantial reductions have been made in commercial, industrial and agricultural power rates. Street lighting rates are reduced.

Domestic combination rates for consumers using lighting service and in addition having electric appliances for heating and/or cooking, are as low as 1½ cents per kilowatt hour. The new commercial lighting schedules provide for lighting rates as low as 2 cents per kilowatt hour.

These new schedules providing lower electric rates are designed to encourage liberal usage of electricity at low cost. The new rates are among the lowest obtainable anywhere.

ELECTRICITY IS CHEAPER — YOU CAN USE MORE — MAKE IT YOUR SERVANT

Let electricity brighten the gloomy corners. Let it do the cooking, ironing, washing. Let it sweep the floors, operate the electric fan, drive away chills. It will percolate the coffee, make the toast. keep food warm or cool and wholesome.

Modern electric appliances bring comfort, convenience and economy.

COMPUTE ALL THE COSTS OF HOME WASHING

Washing at home, even with the aid of a washing machine, does not save all of the cost of your laundry bill. Don't overlook the fact that you have materials to supply.

Soap ,starch and bluing, the water you use, electricity to run the washing machine, gas or coal for heating the water ,etc., all cost you money. And don't forget to figure in the wear and tear on the machine, the interest on the money it cost, etc.

When you assemble all of these very real costs, you will rediscover that for a very little, if any more, you could have us do the washing and save yourself all the work, muss and bother from which the use of the washing machine does not relieve you!

Try our Dry Wash—12 lbs for 96c. Additional wt. 8c per pound.

THE SCOUT COLUMN

The local Scout troop were keenly disappointed over the rain which came on the 15th when their hike to Blue Tent was called off on account of the muddy roads. However, they are now somewhat reconciled by the suggestion that they still have the trip to look forward to.

Tahoe Area Intact

Judge Raglan Tuttle, accompanied by Dr. C. W. Chapman, Muller Chapman and M. D. Coughlin, drove to Auburn in the evening of March 18th to attend a general meeting of the Tahoe Area Council. The main discussion of the evening was in consideration of a suggestion from the powers that be in the Region 12 composing the states of California, Nevada, Utah, and Arizona that this Area petition the Sacramento Area for adoption.

It was the general impression held in Placer and Nevada counties prior to the meeting that the Sacramento Council had offered to include this District in their Area, and it was believed that this might have lessened the financial burdens although perhaps at the sacrifice of less service from the Executive.

However, at the meeting the proposition assumed a hue of more somber shade. Mr. E. L. Curtis broached the plan and, in brief, his suggestions were that this area should petition Sacramento for inclusion in their name and dignity.

The net results of the merger would have been the loss of the name of Tahoe Area Council, only a percentage of representation in the Sacramento Council deliberations, the loss of residence of the present Executive Harris Ricksecker, and with the payments of at least as much annual allotments which would go into the Sacramento coffers for distribution and contral at the Capital City.

The executive, Harris Ricksecker, has lived and worked in this area for many years and is familiar with the conditions as they exist and under the proposed plan he would have to move to Sacramento and operate from there under the direction of the head executive of Sacramento and no assurance could be had after such a consolidation that he would visit these towns at all regularly, but only when he might be sent.

The plan was unanimously voted down by the adoption of a resolution offered by Judge Tuttle of Nevada City to the effect that it was the sense of the entire meeting that the Tahoe Area Council maintain its present status.

Troop Reporters

DUTIES SR. PATROL LEADER

By Warren Chapman, S. P. L.

The office of Senior Patrol Leader is an option post to be filled from the ranks of the troop in the discretion of the local Scout authorities.

The Senior Patrol Leader must be a First Class Scout and should be chosen for strong character qualifications, proficiency in scouting and marked ability in leadership.

The Senior Patrol Leader assists in Scout instruction and in the preparation for and conduct of Troop and Patrol camps and hikes. He presides at Troop meetings but may not undertake full responsibility for hikes and camps which require adult leadership. He helps in the games of the Troop meeting and helps the Scoutmaster prepare a program for the meetings. He performs such administrative and executive duties as are assigned him by his Scoutmaster.

DUTIES OF BOY SCOUT SCRIBE

By Robert Tucker, Troop Scribe

The first and most important duty of a Scribe is to keep a record of all Scout meetings. He also should furnish the local papers with a report on the acitvities of the troop.

The Scribe is under the supervision of the Scoutmaster or one of his assistants and does as they direct. In addition to the other things he should furnish an annual report to the Local or National Council and perform other duties as the Scoutmaster or assistants may direct.

Mr. and Mrs. Ed Christensen accompanied their father, C. Christensen to Sacramento last week, the latter had received word of the death of her brother.

VALIQUETTE GIVES AN INTERESTING ADDRESS

J. A. Valiquette of San Francisco, junior vice president and assistant trust officer of the Bank of Amesica of California, was the speaker at the Lions Club luncheon last week and the large throng of members and guests present listened to an abie address on the method of creating trust funds.

At the outset of his talk, Mr. Valiquette dwelt on the future possibilities of Nevada City from its improved highways connecting it with the busy outside world. He then dipt into his subject, tracing the various methods by which property can be disposed of in an estate and various ways now persons can hand their property on to their descendants. He pointed out the weakness of a husband carrying property in his wife's name with the wife dying first, and of the lack of having a will for disposal of property. He stated that the making of a deed and then keeping it until death was in effect invalid as it did not leave its owner's possession until his death. He brought out the modern trust feature whereby a bank can execute a trust and carry it out by its terms following death as well as prior thereto.

The talk was listened to with a great deal of interest. The speaker was introduced by Horace A. Curnow, program chairman.

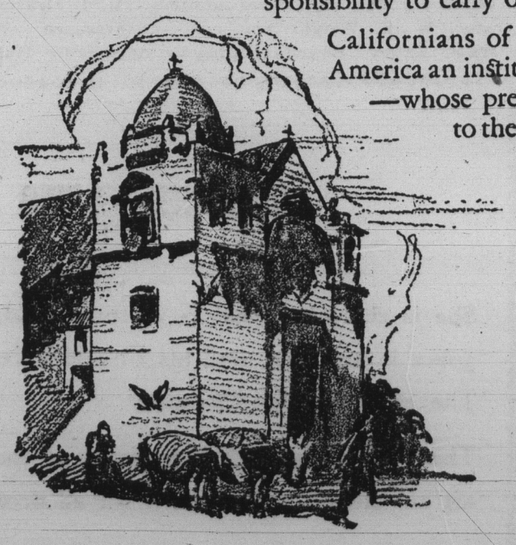
Tradition

Long before the American flag was hoisted at Monterey, a cultured and courageous Spanish civilization had placed its stamp on California. During this period there grew up a tradition that today finds its expression in the names, in the architecture, and in the life of most of our cities.

The vigor of the Forty-Niners created a new and aggressive civilization. Into it they blended all that was most valuable from the days of Spanish influence. On the foundations of the past, they built a California that was destined to take a leading place in the Union of the States.

Institutions such as the Bank of America, whose history extends from the pioneer days, are custodians of tradition. It is their responsibility to carry on the work so ably begun.

Californians of today find in the Bank of America an institution whose roots are deep —whose present and future are pledged to the development of California.



The same initiative that established the missions as outposts of civilization, that carried the American flag to the shores of the Pacific, is today building a greater California on the firm foundations of the past.
